Contractor Conditions

- ✓ Looking for rate schedule to include: Labour Rates, Rentals, Mobilization and Demobilization
- ✓ Each job to be quoted separately
- ✓ Each job must have a **priced approved** PO before any work commences
- ✓ If price is going to go over original PO amount, then a Change Order to original PO, or a new PO must be issued before any of the work is to be done.
- ✓ If an invoice is more then PO approved price, the invoice will be held up and extra monies will not be paid (so it is imperative to get a PO for any extra work at time of job)
- ✓ If doing a job for a Neucel Representative and a PO has been issued for that job, and someone else asks you to do a job, you must quote separately and have an approved PO before you start that job.
